

#5b Realtor Flavor of the Month

Elite Club #33 April 2018

BUYING GIVES YOU FREEDOM

Paint the walls any color you want, or knock a few down.

Design the kitchen or bedroom you've dreamed about.

Never worry about an expiring lease, and get big tax breaks.

Throw parties your friends will talk about for years.

ARE YOU READY FOR YOUR FIRST HOME?

RENTING HAS BIG DRAWBACKS

Every check goes in the landlord's pocket—no equity.

Restrictions and no financial gain from remodeling

Lease can end or rent can go up at end of term.

Not-so-wild parties.
