

#13 ITS Connect Now

Elite Club #36 August 2018

Here you go. Because of all the focus and attention we're giving to PalmAgent ONE – we want to reiterate the launch and the highlights of it to the elite group as well this month. Please see below related to the new release. Thanks!

We know you've been waiting patiently and we're so excited to let you know that PalmAgent ONE is finally here!!!

Hopefully you joined the 101 and 201 webinars and know a little bit about how to use the app, if not here are some links to those webinar recordings:

PalmAgent 201 Webinar Replay- <https://vimeo.com/280611110/9d31528ad0>

The new version has a ton of new features that your realtors are going to love!

The PalmAgent team has loaded tutorial videos and PalmAgent ONE promotional content into your Rep Dashboard so log on to find:

- Branded marketing pieces that they've created to help you get your realtors intrigued about the new app.
- Tutorial videos that will teach you the skills to use the app and present it to realtors.
- Social media graphics that make it easy to market this tool on social media.
- Important webinars that you may have missed.

You'll also find some commercial quality videos that have already gained **OVER 150 THOUSAND** views on Facebook alone!

This new version is making it much easier for your realtors to make a splash on social media, so be sure to get out there and show them all the new features in PalmAgent ONE!
