

Why you would want to use SS:

- To be more compliant as a brokerage
- To ensure your agents remain compliant
- To reduce the amount of work for your staff
- You want to reduce the size of your staff
- You'd like to centralize file review to one person, office, or small group
- You'd like your agents to get their paperwork submitted faster/easier
- You'd like to streamline communication between your agents and office staff
- You'd like to reduce/eliminate the amount of paper being stored in the office
- You're looking to recruit more agents to your firms
- You'd like to retain the agents you've worked so hard to bring on board
- You want your agents to spend more time with their clients, building that relationship
- You'd like to know where each file stands, at anytime, from anywhere
- You'd like to spend less money on office supplies needed with paperwork
- You'd like to review your agents files from anywhere with ease
